

CS61A Lecture 39

Friday, December 6, 2019

Today is the final lecture of CS61A.

Announcements

- Final exam
 - 3 cheat sheets allowed
 - 3 sheets of study guides
 - CSM review sessions during regular lecture times
 - Topic-specific review sessions by TAs
- Future semesters – What happens after the final?
 - You can join the course staff as a tutor or GSI
 - You can also join as an academic intern
 - CS370: Introduction to Teaching Computer Science is a more advanced pedagogy course with even more involvement
 - CSM is also looking for tutors
- Homework 11 is posted today and worth 3 points instead of 2. It is a bunch of surveys!
 - If 90% of the class completes the surveys, everyone who did the surveys get an extra credit point.

For the rest of today's lecture, watch the [video](#).
